

CALL FOR PAPERS

INTERNATIONAL INTERDISCIPLINARY CONFERENCE

THE NATIONAL PARK OF VJOSA – The dialogue of science, culture, and sustainable development

June 2024, “Eqrem Cabej” University, Gjirokaster,
Albania - Hybrid

Organisers: “Eqrem Cabej” University, Gjirokaster

Invitation:

It is a pleasure to invite you to the first Interdisciplinary International Conference: **“THE NATIONAL PARK OF VJOSA – The dialogue of science, culture, and sustainable development”**, organized by the University of Gjirokastrë. This conference will focus on the importance of the cultural, economic, historical, and social wealth offered by the National Park of Vjosa, an internationally unexplored resource until now.

Scope and Objectives: The National Park of Vjosa has been a profound source of inspiration for science, culture, and history. This interdisciplinary conference aims to bring together the mindset and expertise of various disciplines to unfold the depth and breadth of the connections between the park and scientific, cultural, and historical developments.

The goal of this conference is to unite academics, researchers, graduate students, Ph.D. candidates, and experts to exchange knowledge, perspectives, and experiences in the targeted fields."

Relevant fields for the conference will include:

- Alternative Tourism
- Financing and its Social, Economic, and Environmental Impact
- Policy-making and its Impact on Area Development
- Ecosystems, Biodiversity, Flora, and Fauna
- Food Security
- Priorities and Risks in Population Health
- Environment and Climate Change
- Technology
- Cross-Border Collaboration
- Natural, Cultural, Ethnic, Religious, Folkloric, Linguistic Heritage
- Demography
- Inclusive Environmental Education

Article Submission:

The submitted material must be original and not published or submitted elsewhere. Details related to the accepted standard are as follows:

- Title of the paper; name and surname of the author (co-authors); full work address of the author (co-authors); summary (Albanian) and abstract (English); entry; tools and methodology; results (discussions); applications; conclusions and literature.
- The author's name, the title of the article to which it refers, the periodical where it was published, the year and its number and the pages where it is located must appear in the literature.
- All material will be in 12x21cm format.
