International Mobility - At a Glance

Deadline for Sending Student Nomination

Winter Semester

Nomination deadline: April 15th
Application deadline: May 1st

Summer Semester

Nomination deadline: October 15th
Application deadline: November 1st

Please nominate your students in our [Mobility Online](#) platform. For questions regarding the online nomination, please contact: incomings-exchange@th-koeln.de

Language Requirements

Although some classes are held in English, most classes are in German. We therefore recommend you have a B1 proficiency in German for the majority of our programs. Please contact our Incomings team to clarify the language requirements for your program of choice.

We ask students to upload their language certificate on our mobility platform. A list with programs that are completely taught in English can be found [here](#).

Semester Dates

Winter Semester: officially from **September 1st to February 28th**

Summer Semester: officially from **March 1st to August 31st**

To see the academic calendar, please follow this [link](#).

Useful Information for Students

Nomination

Your coordinator or professor should officially nominate you via [Mobility Online](#).

Application Deadline

May 1st for the upcoming winter semester
November 1st for the upcoming summer semester

Application Steps

Once your coordinator at your home university has nominated you via our platform, you will receive an email with a registration link for your [Mobility Online](#) application as well as other vital information on several topics (e.g. your faculty).

Make sure to complete your personal data, indicate an emergency contact (**this cannot be yourself!**), upload a photo as well as a language certificate. In case you are a native speaker or studying in English, please upload a document mentioning this.

Once the registration has been formally checked, you will be able to upload your application documents. As soon as the documents have been checked by the faculty, you will be informed that you can print out your letter of admission and start preparing your [digital enrolment](#).

The Learning Agreement is mandatory for ERASMUS students.

This is a [3 part system](#), more information can be found [here](#) under "Create your Learning Agreement".

All other students do not have to submit a Learning Agreement.

MultiCa/ Semester Fee

Students will have to pay the semester fee of approx. € 350. This fee covers public transportation in all of Germany. Students will receive their MultiCa (earliest March/ September 1st) only after having paid the semester fee. The MultiCa is their student ID card and valid in our libraries, student cafeterias and as proof of identity for exams.

Accommodation

Unfortunately, TH Köln does not offer on-campus dormitories.

Information on how to get accommodation in Cologne/ Gummersbach can be found on [this website](#). Students can apply at the [Kölner Studierendenwerk](#) (KSTW), which offers student accommodation.

Please apply early and be open for more than one choice to make sure you get a room, even if it is not in the location you would have preferred. If you do not get a room in student housing, there are [other options](#) such as subletting rooms in shared flats.

Grading System

Pass/fail. Exchange students get grades based on the German grading system: 1 (excellent) - 5 (not sufficient).

Required coursework

In order to gain credits, all students have to actively participate in the coursework and exams (or other relevant assessments) of their chosen courses.

Be prepared to do coursework and exams even if your home university would not require it. TH Köln generally does not issue certificates of attendance for courses. Please ask your professors about the required coursework at the beginning of your stay.
